

G Sivateja

Title: Software Engineer
Location: Pune, India
Languages: English (Fluent), Telugu (Native)

Experience Summary

Software Test Engineer with experience in Automation for Munich Re insurance applications. Proficient in Playwright, JavaScript, TypeScript and Page Object Model (POM), Java with experience in building, maintaining and enhancing automation frameworks. Worked across multiple insurance modules including Quote, Risk Analysis, Vehicles, Drivers and Coverages, executing end-to-end testing and validation activities.

Implemented reusable automation components, generic locators, dynamic UI handling, screenshot reporting enhancements and stability improvements that improved framework maintainability and execution reliability. Experienced in regression testing, defect analysis, root cause investigation, test case execution and client deliverables. Strong analytical, problem-solving and debugging skills with knowledge of Data Structures, Agile practices, Git and Postman, contributing to the successful delivery of high-quality enterprise software solutions.

Key Skills

- **Programming & Scripting:** JavaScript, TypeScript, Java, C
- **Test Automation & Framework Development:** Playwright, Page Object Model (POM), End-to-End Testing, Framework Enhancement, Reusable Functions, Generic Locators, Dynamic Element Handling, Data-Driven Testing
- **Quality Engineering:** Functional Testing, Regression Testing, Smoke Testing, Test Case Design, Test Scenario Creation, Verification & Validation (V&V), Root Cause Analysis, Defect Lifecycle Management
- **Software Engineering:** Object-Oriented Programming (OOP), Data Structures & Algorithms, Debugging, Problem Solving, Code Reusability, Modular Design
- **API Testing:** Postman
- **Tools & Platforms:** Git, Visual Studio Code
- **Development Methodologies:** Agile, Scrum, SDLC, STLC
- **Domain Expertise:** Insurance Domain (Munich Re)

Certifications

- ISTQB Foundation Level

Higher Education

K L University | B.Tech

- **Degree:** Computer Science and Engineering
- **CGPA :** 9.24
- **Relevant Coursework :** Object-Oriented Programming, Data Structures & Algorithms (DSA)
